

FIRST PRESBYTERIAN PRESCHOOL

2020 Art Show “A Night in España”

When: Wednesday, April 22, 2020 at 6pm

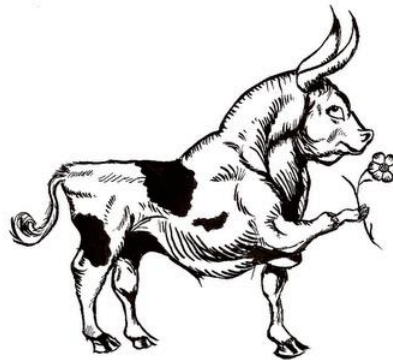

Where: St. Roger’s Depot – 420 N. Campbell Street

What is Art Show?

Art Show is the Preschool’s annual fundraiser. Art Show is an adults-only evening event, featuring cocktails, hors d’oeuvres and live music.

Your child’s individual artistic creation will be displayed gallery-style for all to enjoy at the beautiful new St. Roger’s Depot venue. At the event, you will be invited to support the preschool through a **live auction** offering collaborative art projects from each class with local artists, the chance to have a birthday party on the magical First Pres playground, and more!

We will also offer a **silent auction** with an easy to use text-to-bid program featuring a fantastic assortment of donated baskets, art, and gift certificates with the best our community has to offer!

Where do the Funds Go?

Funds raised at Art Show support the Preschool’s scholarship program as well as the continued enrichment of your child’s preschool experience, including continuing education for teachers, improvements to facilities, technology, and more.

How can I help?

Art Show requires a great deal of help from **volunteers** – working on art collaborations and projects in the classroom, seeking auction donations, setting up for the event and returning the artwork to the preschool after.

We will also be sending out details on the many **sponsorship** opportunities for the event. We need sponsorship support from community businesses and our preschool families in order to meet our fundraising goals

Stay tuned for details and Thank You in advance for your support!
