What is Art Show?

Art Show is the Preschool's annual fundraiser. This year's Art Show is extra special as the school celebrates 40 years!

Your families first train stop will be a viewing of your child's individual artistic creation displayed outdoors across the preschool grounds. Teachers will act as your conductor guiding you through the art show.

Your second stop will be the Little Blue Engine Carnival, which is filled with fun for the whole family including activities like pony rides, train rides, games galore, delicious BBQ, sweet treats and much more!

Take a stop and view **silent auction** items including an opportunity to have a birthday party on the magical First Pres playground, beautiful art pieces each class will have made with local artists, unique professional artwork and other baskets. The auction will go live on Thursday, April 28th and will close Saturday,

Stay tuned for ticket sales and thank you in advance for your support!

April 30th. The **tuition raffle** will be drawn on April 30th at 2 pm at the end of the art show!

Where do the Funds Go?

Funds raised at Art Show primarily support the Preschool's scholarship program as well as the continued enrichment of your child's preschool experience, including continuing education for teachers, improvements to facilities, technology and more.

How can I help?

There are many **sponsorship** opportunities for the event. We need sponsorship support from community businesses and our preschool families in order to meet our fundraising goals. We

also welcome any donations for the silent auction.

Additionally, Art Show requires a great deal of help from **volunteers** – seeking auction donations, setting up and taking down from the family carnival day. Please contact Meghan McCrory at (915) 242-3743 for further information if interested in helping.
